

## Elite Profession Skills

Elite Profession Skills follow the same rules as Hive Ken Skills (*by Lachlan Abrahams*). The Elite Profession Skills represent gangers who develop special professions in their territory.

If any ganger rolls the Choose any of the Skill tables result on the advance table he may select

## Engineer

The ganger is taking special education to become an adept construction worker. Between fights, a miniature with the Engineer profession may upgrade one piece of your territory. Spend the required amount of credits for resources to upgrade a territory. This miniature may not
